-Funding for Camperships is based on a number of criteria including, but not limited to, financial need, space availability in specific sessions, and individual child needs. No one factor is determinative.

-As Camp Couchiching is a non-profit children's charity, it is governed by a Board of Directors. All subsidy applications received by the camp prior to April 6, 2009 are then forwarded to the Board of Directors "Campership Task Force" for evaluation and final decision making.

-Camp Couchiching does not offer camperships to subsidize camp fees 100%. Percentage is decided based on need, demand for funding, and camper history.

-Campership applications are only valid only in the year of attendance and are re-evaluated each year. Regardless of final decision and outcomes of the subsidy application, families must reapply the following year if they wish to be considered for subsidy once again.

-In accepting Camp Couchiching's financial assistance in sending your child to summer camp, it is acknowledged and understood all policies and procedures listed on the reference page of Camp Couchiching's registration materials.

-All applications are subject to approval.

In signing this application, I, the parent/guardian of _____ (child's name), have filled out this form honestly, accurately and to the best of my ability.
