

Camp Couchiching's 2010 Summer Season

Campership Reference Form

This form is intended for those providing a reference (referred to hereon in as "referee" for campers interested in attending Camp Couchiching.

The Camp Couchiching "Campership" program, strives to make camp accessible to all children. As a result each year we offer sponsorship to children from families struggling with financial need. We ask that each child who applies to this program for financial assistance submit two letters of reference with his or her application.

Our ideal camper is one:

- Whose family doesn't have the financial means to provide full fees for a summer camp experience.
- Who would take something positive away from a camping experience, and in return contribute back to their surroundings.
- Who has limited avenues through which they can develop the social skills, life skills, and support network that we associate with a camp experience.

You have been asked to write a letter of reference for _____ (child's name), as they have expressed interest in our programs.

It is our hope that letters of reference be provided by any of the following individuals: a teacher, principal, school guidance counsellor, coach, minister, doctor, social worker, or any person who is close to the child however is not directly related.

This letter should clearly outline why you feel this child would and can benefit from a camp experience at Camp Couchiching.
