

Here is the new **Refer-A-Family program** for Camp Couchiching

Refer "new to Camp" families to us and if they sign up/attend Overnight Camp in 2025 then we'll send some \$ back to you!

- Refer first new family? \$25 credit for your family
- Second family referred? A \$50 credit (plus the \$25 above) for your family
- Third (or more!) families referred? Add on more \$ with \$100 credit (plus the money earned above) per family

Here is the catch...it only counts if you fill in this form: [Refer-A-Family Overnight Camp 2025](#). You can return to this form more than once to add more families. All the nitty-gritty, fine print details are on the form.

We will send an introductory email to the families you refer. We won't hit them up directly more than once.

Looking to Apply...here are the next steps:

1. Review specifics on our website:
